

YOUR ALIGNERS ARE DIRTY. **CLEAN THEM.**

SANITIZE YOUR CLEAR ALIGNERS IN UNDER A MINUTE.

MAKE YOUR SMILE HAPPY

Sterasmile removes 99.9%* of harmful oral germs and bacteria from your aligners within one minute of application. Simply remove aligner(s), pump a sufficient amount to lather inside of aligners with foam, and replace aligners in your mouth. It's that easy!

- **Proprietary essential oil formulation** combats bacterial growth within trays
- **Naturally whitens** teeth and aligners
- Refreshing **plant-based mint flavor** freshens breath
- **No Harmful Irritating Oxidizers**
- **No Peroxide**
- **No Parabens**
- **No Alcohol**

KILLS OVER 99.9%* OF BACTERIA

JUST 1 FULL PUMP, 60 SECONDS, AND **YOU'RE READY TO GO.**

On-The-Go Aligner Foam

For cleaning, whitening, and refreshing all
aligners & oral devices

Directions: Place travel cap securely on top of the foam dispenser as illustrated. While not in use, store travel cap away. Travel cap provided for on-the-go convenience to help prevent package leakage.
